Subject: Re: War Eagle From Iraq

Hi Its great to hear from you :-)

Well I am still in Northern Iraq working on patrols with the Iraq Police. We have had a lot of terrorism here lately so its been a little discouraging. Were hanging in there and trying to make a difference!!! Tomorrow will be hard missing the game and the club. I hope you guys will pull us through the first game.

Thanks for your thoughts and prays
Hopefully I will see you for the Bowl Game

Todd
